Shipping Instructions

*****We Do Not accept Green or Frozen Hides*****

When shipping please make sure to have your name and address on each box. Please print out a [Receiving Form](#) and fill it out and send it with your skins. Make sure to include your Trappers, Hunters, Fur Bearers, Fur Dealers license number or a copy. For some states a wildlife shipping permit is required. For tagged and non-tagged skins, if we do not receive a copy of a legal taken permit or number your skin will be returned C.O.D.

Skin Prep – Before Shipping

Be sure skins are thoroughly fleshed and dried, skins must be completely dry upon receipt, or you risk spoilage. Furbearers for fur dressing may be sent trapper or salt dried.

Do not forget to split and dry the tail!
